Dear David:

This correspondence follows your firm's involvement and services related to the *Delaney* case. We were very pleased with Magnus' performance. Accordingly, please feel free to use the following:

Magnus is a very professional, knowledgeable and well coordinated trial consulting firm. I was very pleased with Magnus' highly detailed mock trial and jury research services and would recommend them to any firm preparing for a complex or high exposure jury trial.

David, we will keep your information on file for use in future cases as well. Thank you.

Sincerely,

KEVIN E. JAKAB, ESQ.
